

FELLOWSHIP AWARD NOMINATION

Regional nominations are due to Headquarters on or before **June 23rd**. The Fellow designation will be bestowed on individuals who have consistently contributed to the association in the highest manner possible. A Fellow is the most respected member of the Association for Learning Environments community. They represent the mark of excellence in the industry in which they serve and are recognized as those that advanced the association and its mission.

Applicants will be scored utilizing the following criteria:

Qualifications of Candidates

Active member of Association for Learning Environments for 10 years

20 years of experience in the field of education and/or the education environment

Scoring

- 10 Quality of professional certifications and/or industry specific designations
- 10 Willingness to share professional knowledge via presentations and/or publications over a period of time
- 10 Quality of service and leadership to the association at the regional and international level
- 10 Contributions to advancing the association's Strategic Plan by serving on committees and task groups
- 50 Overall long-term contribution to advancing and promoting the mission of Association for Learning Environments
- 10 Impact of the quality of the nominee's mentorship to other association members
