1. Discussed the upcoming School Safety Roundtable in Prince Georges County. The meeting is scheduled for April 26th, from 6:00 to 8:00 PM. Attendance is limited to 30. CBDV-A4LE will advertise along with DC CAE. Sandy to review and provide comment on the agenda that was circulated for consideration.
2. The Northeast Regional Conference to be held in Baltimore in April 11th – 14th. A majority of the Board members will be attending and presenting. Those attending will try and meet for lunch or coffee.
3. Edi clarified that after the conference A4LE staff responsibilities will be changing and Edi will handle all of the coordination for the NE Region.
4. Sandy asked all to start thinking of the next event. Consideration should be given to a summer event as the fall schedule is complicated with the International Conference. Sandy suggested reviewing the tour schedule from the NE Conference for ideas and possibly expand on one of the tours from the conference. Continue the discussion on the next call.

5. Reminder that regularly scheduled conference calls will be held the first Friday of each month. Next call is May 4th at 8:00 AM.
