

Do you need to refresh an existing classroom with flexible furnishing?

Is your community designing a new school building and looking for ideas?

Do you feel overwhelmed making choices and want to touch and feel a few options before making an investment?

JOIN US!

The Association for Learning Environments New England Chapter is excited to announce that we are hosting a Furniture, Fixtures, and Equipment Showcase at the WaterFire Arts Center in Providence, RI! The event is free for attendees, and we look forward to seeing you May 1.

The event serves as an opportunity for district administrators, educators, students, and community members to engage with vendors serving 21st Century educational facilities and learn about research into solutions for students. Vendors providing a variety of FFE will be on-site to allow attendees the opportunity to try products and inform future decision making.

Over the last few years, Rhode Island's leaders and citizens have made significant investments to educational facilities for students.

Interested in being a vendor?

For vendor registration and sponsorship opportunities, click the link below:
