“The Sky Is the Limit: Growing Healthy Learning Environments”

We are pleased to welcome the A4LE Pacific Northwest Region Conference back to Saskatoon, SK in 2019. We are excited to show off a variety of our new schools including: a joint-use school, two traditional build elementary schools and a new shared use high school and community centre. We are planning several exciting events centred around these facilities and a number of interesting speakers exploring building for a new generation of learners, teachers and facilities operations. There will be a variety of engaging concurrent sessions, with topics dealing with planning, design, construction and maintenance and operations aspects of the school facilities business provided by experts in their respective fields. And plan to spend time at the tradeshow on Thursday, to learn about new products, materials and suppliers. You can count on warm prairie hospitality and many opportunities to connect with old friends and meet new ones – we look forward to seeing you in Saskatoon in May 2019.

Conference location is at the Sheraton Cavalier Saskatoon Hotel, 612 Spadina Crescent East, Saskatoon, SK. Rooms are reserved under Association for Learning Environments. They can be accessed at [https://www.a4le.org/Pacific Northwest/2019 Region Conference/Accommodations.aspx](https://www.a4le.org/Pacific_Northwest/2019_Region_Conference/Accommodations.aspx) Conference rates start at \$159.00 + GST for standard rooms and is available until May 2, 2019 after which time it may be subject to availability and standard pricing.
