

January Meeting:

FAIRBANKS Meeting:

Presentation:

Identifying and Managing Legionella in Domestic Water Systems

Presented By:

Emily Winfield, PE

Date:

Thursday, January 17, 2019

Time:

11:45 am: Check-in & Lunch
12:00 pm: Presentation

Location:

Sophie Station
1717 University Ave S,
Fairbanks, AK 99709

ANCHORAGE Meeting:

Presentation:

2018 Alaska Earthquake Lessons Learned Panel

Date:

Thursday,
January 24th, 2019

Time:

5:30 pm: Check-in & Dinner
6:00 pm: Panel Discussion

Location:

Fireweed Business Center
725 E. Fireweed Lane
Anchorage, AK 99503

Cost:

Dinner: \$15
Students: Free

RSVP:

Please RSVP to Tracy McKeon at:
tmckeon@crweng.com
By noon on Wednesday January
23rd.

Nov 2018 Alaska Earthquake—Lessons Learned Panel

This month we are pleased to announce our monthly meeting focusing on the lessons learned from the November 30, 2018 earthquake.

On November 30, 2018 at 8:29 am, a magnitude 7.0 earthquake registered just north of Anchorage, Alaska. This massive natural disaster has resulted in severe damage to buildings, highways, infrastructure, and utilities, with the damage costing millions of dollars to repair. We as Designers, Engineers, and Contractors are asking what were the real impacts and what could be done differently to minimize damage from future events.

This month's ASHRAE meeting will be a joint meeting with IAPMO focused on just those questions. We have assembled a panel of Inspectors, Engineers, and Owners to talk about what they saw after the quake during facility and site inspections, repairs and fixes implemented, and lessons learned. The panel will include engineers and representatives from MOA, AWWU, and Enstar.

ASHRAE members and attendees are highly encouraged to bring their stories and findings to the meeting and share their experiences. The panel is intended to be a starting point for this collaborative effort with an ultimate goal of generating a living document that will reflect the lessons learned and can be made available to designers, engineers, Owners, and installers in the future.

If you have any photos or videos that you would like to share, we will be putting together a slideshow for the meeting. Photos and videos can be forwarded to Tracy McKeon at tmckeon@crweng.com.
