

Annual BC Chapter Sponsorship (2022)

Thank you to the generous support of our sponsors. Your commitment and generosity help to ensure that the Association for Learning Environments (A4LE) educational programs and events are of the highest caliber to provide innovative 21st Century learning environments. It inspires critical thinking and problem-solving skills, creativity, collaboration and effective communication for all types of learners. A4LE invites you to assume a leading role in the K-12 school construction industry as a sponsoring partner of our chapter and events.

The A4LE British Columbia Chapter offers annual and event sponsorship opportunities suited to fit a variety of budgets. These offerings are designed to deliver your brand message to the most influential chapter decision makers in the school facility industry. All sponsors are prominently recognized as leading supporters and advocates on the A4LE website and during A4LE chapter events.

We appreciate your support and participation in furthering the goals of the Association and the BC Chapter. Your generosity helps to ensure that children everywhere have an opportunity to learn and grow in safe, healthy and nurturing environments.
