

Gerry McCudden Memorial Scholarship Award

Overview:

The **A4LE Saskatchewan Chapter Gerry McCudden** Memorial Scholarship is a competitive, merit-based scholarship program designed for graduating grade twelve students who desire financial support for their pursuit of post-secondary educational opportunities.

The Scholarship will be allocated to a recipient who is a student in a Saskatchewan School Division which currently has a member in **A4LE**. The method for the selection of the recipient to receive the Scholarship shall be at the discretion of the Saskatchewan Chapter Board of Directors of **A4LE**.

A4LE:

The Association for Learning Environments was founded in 1921 in the United States as the National Council on Schoolhouse Construction and is the primary advocate and resource for planning effective educational facilities. Fostering and disseminating best practices in creative school planning, **A4LE** is the educational facilities expert, the only organization whose sole mission is improving the places where children learn.

Association Members include educational facility planners, school district and university administrators, planning consultants, architects, campus planners, engineers, school board members, product suppliers and manufacturers, and others. These members work together to create educational facilities where students can succeed. Today **A4LE**'s membership extends beyond North Americans and includes members worldwide who are leaders in their specific disciplines.

The mission of the Association is to continually seek out best practices in creating quality learning environments for students. It is **A4LE** members who lead the educational facility planning profession towards a new vision based on innovation and discovery.

Qualifications:

1. The candidate shall be a graduating grade twelve student.
