

Video Chat GAME SHOWS

Prepare for your Game Show Experience !

1. A laptop or desktop computer with a webcam is recommended to view & interact with our show but

You'll actually be using your **PHONE** or **TABLET** to play the games!

2. During the game you will scan a QR code to play along on your phone.

Just scan the QR code with the camera on your phone.

It should ask you to go to a website, so just click Yes!

Don't take a photo, just hold your camera up to the screen

Watch this video to learn more

Scan this QR code to test

videochatgameshows.com/tutorials

3. Make sure you're up to date with the latest ZOOM version!

Just click your profile picture in the top right corner of zoom and scroll down to "check for updates"

4. To Unmute yourself, use the microphone icon on the bottom left

and finally... HAVE FUN !
