

THE VISION COMMUNITY CENTER

School of the Future 2015

WHAT IS SCHOOL OF THE FUTURE?

- **History of School of the Future**
- **Our 8th grade challenge**
- **The City of Springfield**
- **Being Well Established**

OUR VISION

The mission of The Vision is to meet the needs for people who wish to read and be more involved with literature, people who enjoy and are very much involved with athletics, and people who need to access computers and get the proper help they need. By achieving this goal we partner with local non-profit organizations to bring the better out of people in Springfield, Massachusetts.

LOCATION

- **1533 Bay St. Springfield, MA**
- **Next to businesses**
- **Off of one of Springfield's major roads**
- **Easy Access**
- **In a diverse neighborhood**
- **Great building space**

The background is a stylized illustration of a library. It features several tall bookshelves filled with books in various colors. Silhouettes of people in different colors (brown, green, blue, purple, orange) are shown engaged in various activities: some are reading, some are walking on a staircase, and one is carrying books on their head. The overall scene is warm and inviting, representing a vibrant library environment.

OUR LIBRARY SYSTEM

- Attract the youth population to read more
- Become stronger readers
- Partner with local schools and library's
- Book drive every Friday
- Donations
- Book fund to purchase from publishers

TECHNOLOGY

A collage of technology and business icons. In the center, a glowing blue lightbulb is held in a hand. Surrounding it are various symbols: a globe, an airplane, gears with currency symbols (\$, €, ¥), a house, a target, a network of people, a bar chart, a laptop, and an envelope with an @ symbol. The background is dark with a grid pattern.

- Up-to-date computer lab
- Apple Mac Computers throughout the building
- One-on-One help with staff
- Computer Basics Program
