- **Virtual Learning** is recommended when there is substantial community transmission.
- **Hybrid Learning** is recommended when there is minimal to moderate community transmission.
- **In-person Learning** is recommended when there is no community transmission.
Returning to school

- Work with local agencies & governments
- Understand your facility capacity
- Understand how your schools can operate
- Prepare your school to reopen
- OVER Communicate to staff, teachers, parents, & students
Difficulties arise as soon as we leave our homes.

- Consider having lunch in classrooms
- Consider using box lunches
- Consider adding plexi glass to register area
- Place markings on floor to show social distancing while in food service line
- Use disposable products to decrease cross contamination
- Add time between lunch periods to properly clean tables and seats

If cafeteria is used seat & dismiss this side of cafeteria first to decrease circulation.
