SCHEDULE: Entry registration and payment deadline: Wednesday, March 18, 2015
Final entry on CD: Friday March 27, 2015
ENTRY FEE: There will be an Entry Fee of $250 from each architectural firm submitted for each entry. Payment can be made with your registration online or by check. All checks shall be made to CEFPI, and mailed to: Barbara Worth, Council of Educational Facility Planners International (CEFPI), 11445 E. Via Linda, Ste 2-440, Scottsdale, Arizona 85259.

FORMAT:  

Mounts: All entries shall be two dimensional and exhibited on two 20”x20”x1/2” foam board mounts with each entry limited to two mounts. Mounts will be displayed on easels provided by the exhibitors.

Composition of individual mounts shall be at the discretion of the entrant, provided that mandatory requirements are met. Permanent-type adhesive should be used to attach plans and photographs to mounts. DISPLAY BOARDS WILL BE FOR EXHIBITION ONLY. Therefore, names of design firms may appear on drawings, photographs, or other materials since judging will take place prior to the Conference.

Lettering on Mounts: Lettering should be kept at a minimum and be large enough for exhibit viewing.

Plans: Site plan, floor plan, and one or more sections or elevations should be shown legibly and accurately at scale, with numerical and graphic indication of scale. Reproductions of working drawings are not acceptable.

Photographs: It is important that a majority of photographs include teaching areas and preferably contain people to help jury members with scale. Only one exterior photograph is required. It is better to have a greater number of smaller pictures rather than two large photographs.

Rendering Drawings of Exteriors: Rendered elevations or perspectives may be used but not substituted for photographs.

Project Identification Sheet: Entrants will complete the Project Identification Sheet which requests the architect, name and location of project, name of owner (superintendent or primary owner contact and school division/district), name of design consultants, name of contractor(s), and name of photographer. This will be provided for distribution at the conference. You may also include information from the Descriptive Data slide found in the PowerPoint in your handout. Please develop your own handout using the criteria in the instructions and bring approximately 100 copies for distribution. Do not use the instruction sheet as your handout.

Supervision and Services: The exhibit committee reserves the right to assign exhibit space and to withhold from exhibition entries deemed to be unsuitable for display. Adequate general illumination will be provided; no special individual lighting or displays will be permitted.

Electronic Images: Images (photographs, drawings, etc.) shall be placed on the PowerPoint template provided and saved to a CD. The CD will be mailed to the Architectural Exhibit Chairperson along with the Check, Printed Entry Form, Printed Project Identification form, and Printed Photo Release Form. The images from the PowerPoint will be used for the presentation at the Awards Banquet, as well as for the Judging which will take place off-site prior to the Conference.
NAME MAY NOT BE MENTIONED ANYWHERE IN POWERPOINT SLIDES EXCEPT FOR THE IDENTIFICATION SLIDES.

FORMAT: The architectural exhibits will be located in the Pre-Function Area adjacent to the main entrance to the conference center. Individual locations will be assigned on a first-come, first-served basis on Sunday April 19, 2015 during the set-up time (12:00 p.m. – 5 p.m.).
