

# 2018 Excellence Awards - Call for Entries

## ABOUT ASSOCIATION FOR LEARNING ENVIRONMENTS

The Association for Learning Environments is a professional association whose sole mission is improving the places where children learn. Association for Learning Environment members — individuals, institutions, and corporations — are actively involved in planning, designing, building, equipping, and maintaining schools and colleges.

## THE EXCELLENCE AWARDS

The Excellence Awards, established in 2005, recognize South Carolina's Best in Class school solutions. Past winners exemplify some of the finest school construction projects in South Carolina.

## ELIGIBILITY

Entries must meet the following criteria:

- Schools must be located in South Carolina.
- Construction must have been completed after 1/1/2014.
- Award submittals may be made by the Owner, Architect, Engineer, General Contractor, or Construction Manager. The entity submitting the project must be a member of Association for Learning Environments SC.
- Entries must be submitted under one of the following categories:
  - New Construction
  - Addition / Renovation

## SUBMITTALS

Submittals for the Excellence Awards shall be provided as **8 ½ x 11 digital files**. Drawings, photographs, and narratives shall be included in the initial submittal to allow judging to occur prior to the conference. The submitted materials shall be provided as jpeg images on a USB Flash Drive or CD, accompanied by the printed entry form. The following information shall be included:

1. Project narratives addressing the following:
  - a) Description and definition of the project
  - b) Specific challenges and solutions to the **criteria** noted on the next page
  - c) Collaboration and teamwork among the project team members
2. Photographs of all major elevation views, adequate to illustrate the exterior solution.
3. Photographs of interior spaces, adequate to illustrate the quality of learning environments and solution.
4. Plans and sections, and additional drawings as required illustrating the solution.
5. The USB Flash Drive or CD shall be limited to no more than **twelve jpeg images (8.5 x 11, 300dpi)**, not including the narrative.

*Note: Please do not include any reference to the architectural firm, name of the school or other team members in the submittal. Please complete the attached Entry Form which will remain concealed until the winners are selected.*

The judges will consider the following **criteria** in their review:

- 1) Fostering learning opportunities and academic success
- 2) Innovation in programming, technology and design
- 3) Sustainable design and awareness

## 2018 Excellence Awards - Call for Entries

- 4) Engaging the community
- 5) Architectural excellence

Submittals are due on or before **March 16, 2018**. Please include an Entry Fee of \$250 per school submittal. All checks should be made **payable to Association for Learning Environments SC**.

Please send your design award submittal & check to:

Association for Learning Environments SC Awards  
McMillan Pazdan Smith  
121 Calhoun Street, Charleston SC 29401

### Project Displays (Due at the Conference):

Project displays are **due April 25th between 4:00 pm and 5:00 pm** for display during the 2018 Association for Learning Environments SC Conference at R2i2 Conference Center, Columbia, SC.

The display shall consist of a 40" X 40" "hardboard on easel" format for each school project submitted for judging. The displays will be showcased throughout the duration of conference. Please adhere to the following guidelines when preparing your display:

- Include a full color overview of the project, including photos, graphics, etc.
- Plans, sections, or elevation drawings may be included; construction photos are optional
- Due to size and location restrictions, displays cannot utilize electricity, tables, or "tradeshow" type booths, but entrants should bring their own easels to display their boards.
- You may identify name of project, school district, and architectural firm along the bottom margin of your board this year since judging will occur prior to the conference.

Displays are to be set up in the designated area at the Conference and award winners will be announced at the Conference.
