2027 Southern Region Summit Architectural Awards

Join us and submit your projects to the 2027 Southern Region Design awards. These submissions will also be displayed at the Annual Southern Region Conference in Little Rock AR

The A4LE Award Program recognizes outstanding educational facilities in the Southern Region. The program follows criteria from the Association's Planning & Design Awards Program, to encourage regional projects to also compete at the international level.

The A4LE Design Awards program recognizes learning projects which positively impact teaching and learning and result from a sound planning process reflecting the needs and expectations of the community.

Eligible Projects: Entries will be accepted for any new or renovated educational projects designed and/or built within the past five (5) years. Firms and individuals are invited to submit up to five (5) projects per firm. Firms must be located within the Southern Region of A4LE. In order to be considered for exhibit, firms must submit a regulation PowerPoint, project dossier, exhibit boards, and high-resolution PDFs of each board.

Digital submissions are limited to twelve (12) Microsoft PowerPoint slides and must be submitted on the official template. Submissions not submitted on this template will not be considered. **[Click here](#)** to download the official PowerPoint template. You will upload the PPT or PDF here on this platform
