SWINERTON  |  TIMBERLAB

WORKBENCH

MASS TIMBER OFFICE BUILDING

DESCRIPTION: Interested in learning more about the ins and outs of a mass timber building? Join Swinerton Builders, Timberlab, and Dick Clark + Associates to learn about the design and construction experience, challenges, and solutions that have gone into the newest East Austin mass timber building.

PROJECT OVERVIEW: Workbench is a new four-story mixed-use development in the heart of East Austin. Utilizing mass timber as a structural system, this building will feature multiple floors of collaborative office space, retail space, and restaurant space. It will also incorporate a 108-stall parking structure.

JOB SITE REQUIREMENTS: Safety is our #1 priority for every attendee. You are required to wear Construction Personal Protective Equipment (PPE) at all times while on site. Swinerton has very limited PPE available for visitors; if you have your own PPE, please bring it with you, including protective boots.

If you are not wearing protective footwear, you will NOT be able to join the tour.

REQUIRED ON-SITE PPE:

SAFETY GLASSES

CONSTRUCTION HELMET

SAFETY VEST

PROTECTIVE BOOTS*

*Attendees must bring their own boots
