SPONSORING MULTIPLE GRANTS TOWARDS IMPACTING THE EDUCATIONAL ENVIRONMENT OF AN EXISTING SCHOOL
ASSOCIATION FOR LEARNING ENVIRONMENTS
NORTH TEXAS CHAPTER

The North Texas A4LE chapter envisions designating multiple initiatives each year that impacts community through the revitalization efforts of campus learning environments. Funding for the award comes from the NTX chapter fund raisers held each year. As part of our chapter responsibility, we feel obligated to dedicate some of our local resources to the economic development, physical health, educational opportunity and social wellness of the communities served by our chapter.

Our Purpose:

The purpose of this impact award is to not only enhance the usability of any qualified educational environment with a permanent improvement or modification but to also impact the community and its involvement in the local education process. The implementation of this IMPACT GRANT AWARD is intended for collaboration between the North Texas A4LE Chapter membership and Educators across North Texas.

Our Vision:

The North Texas A4LE chapter envisions designating multiple initiatives each year that impacts community through the revitalization efforts of campus learning environments. Funding for the award comes from the NTX chapter fund raisers held each year. As part of our chapter responsibility, we feel obligated to dedicate some of our local resources to the economic development, physical health, educational opportunity, and social wellness of the communities served by our chapter.
