

# ARIZONA TEACHER DESIGN CHALLENGE

A Teacher Appreciation Design Contest

Submission  
Deadline:

**July 1, 2026**  
Concept Showcase:  
**Fall 2026**

## Calling All Arizona Educators!

What would your **dream learning space** look like if there were no limits?

The **Arizona Teacher Design Challenge** celebrates teachers by inviting you to reimagine the spaces where learning happens, pairing your ideas with professional designers who help bring them to life.

## THE CHALLENGE

Arizona teachers are invited to submit a **sketch or short written description** of their ideal:

- Classroom
- School or campus learning environment
- Outdoor learning area
- Library or collaboration space

No design experience required, **just your vision for better learning.**

## WHAT HAPPENS NEXT

Selected submissions will be developed into **concept renderings**. Design teams include **A4LE member architects, engineers, and contractors**.

Finished concepts will be:

- Shared with districts statewide
- Showcased as models of innovative learning design
- Used to inspire future school planning across Arizona

## READY TO SHARE YOUR VISION?

Help shape the future of learning environments in Arizona.

## WHO CAN PARTICIPATE

- Individual Arizona teachers
- School or district teams
- All grade levels and subject areas

## WHY PARTICIPATE?

This challenge is about appreciation, inspiration, and elevating educator voices.

- Celebrate your creativity and professional voice
- See your idea transformed into a real design concept
- Inspire learning environments beyond your own classroom
- Be recognized as a leader in innovative education

## ABOUT A4LE ARIZONA

The **Association for Learning Environments (A4LE) – Arizona Chapter** connects educators and industry professionals dedicated to creating spaces where students and teachers thrive.
