

CENTER FOR EXCELLENCE

Welcome to New Technology High School. Today's visit will provide you a glimpse into a 21st century school where the rigorous academic work and its real world applications prepare students for the future.

Welcome A4LE Northern CA & Nevada Chapter!

We are very excited to host you on campus today! On the next page you will find [our agenda](#) for our morning together.

[Napa New Technology High School](#) is located near downtown Napa. Our address is [920 Yount Street](#) and there is plenty of free parking on the surrounding streets. Our parking lot is very small and please allow our staff to park in the lot.

We have planned the morning together to get the most out of our time together. The school start time is at 8:35am. When building our agenda, we have been very intentional to ensure you can observe the start of school, the flow of traffic as well as students. Our start time is at 7:30am where we will welcome you with coffee. Please plan to park by 7:20 am so we can begin our morning at 7:30am where you will be able to check in and be directed to our room.

We are very excited to host you on campus today!

***Regards,
Aaron Eisberg
Learning Coordinator
