

Presenters:

HELLE BURLINGAME, educational psychologist of the Kompan Play Institute + KERRIN SMITH, President of Kompan Play Institute

CEFPI UTAH PRESENTS:

BRINGING EDUCATION OUT OF THE CLASSROOM AND INTO THE PLAY YARD WITH 21st CENTURY TECHNOLOGY

The topic of this seminar will be a discussion on how to combine digital technology with social interaction and physical and imagination play. As a by-product, the result of this combination just might be an improvement in students' reading abilities--in the school's play yard.
